**President's Message**

On behalf of the Committee of Management, I welcome you to the 1991 South Melbourne Hellas Presentation Night.

Tonight, we pay tribute to the players and coaches who this season achieved the ultimate, the QUIT NATIONAL SOCCER LEAGUE CHAMPIONSHIP. With the appointment of the Great FERENC PUSKAS two years ago, Hellas embarked on a two year plan and the end result was hopefully a championship. Well the plan has worked to perfection and the rewards have now come. Congratulations to all the players and to the Coaches Mr. Puskas and Mr. Jim Pyrgolios.

Thank you to all my committee members and in particular BILL GEORGANTIS who have helped me enormously and I can honestly boast that we have without any doubt the most professional and the most enthusiastic committee in the league. Our no nonsense and quiet approach has achieved what no other committee had achieved for Hellas and this dedication will continue for many more years to come.

Jack Dardalis of Marathon Foods has been a great asset to Hellas this season. Jack has brought a lot of his own success to the club and if the club has people such as Jack supporting it, more success is guaranteed to come Hellas' way.

We all thank the supporters and the members of the club and these people are the backbone of Hellas and it is for these people that Hellas exists. The support the team had in the Grand Final was excellent and electrifying.

Finally I thank all the staff at Hellas who all contributed to the season's success and of course we thank all members of the press for their support.

**GEORGE VASILOPOULOS**  
President
